**READING ASSESSMENT QUESTION AND ANSWER SHEET**

**Hungry Plants** -(Scholastic)

SPRING 3

1. Tell something you learned about each of the following:

° Pitcher Plants

---

---

---

---

° Sundews

---

---

---

---

2. Looking at the pictures (on page 10 and 11), and thinking about what you have read, describe how the sundew catches its prey.

---

---

---

---

---

3. If you could be a carnivorous plant, how would you catch your prey?

---

---

---

---

4. Sketch and label a pitcher plant capturing its prey.  
Try to include 4-5 details from what you have read.
