<sup>1</sup> My thinking paper by	_GR 3, Spring
Make a web to show animals' movements in ponds	s and rivers.
Use ideas from the book and your own ideas.	

<sup>&</sup>lt;sup>1</sup> Adapted from EPRA, with permission, by R Martens, Border Land, 2017

Tell something you learned in your reading about each of the following:
l) Fish Leech
2) Platypus
Write 2 questions you still have about how animals move in ponds and rivers.
1)
-/
2)
<u></u>
